## Code of Ethics '0' TOLERANCE

Ohio County Area Soccer wishes to lead by example. We want to be symbolized by other clubs. When our teams are on or off the field we are a class act. We will police our areas and pick up trash after a game. We will walk off the field with dignity no matter the outcome. Our parents and coaches will cheer on the team; they will only cheer on positive comments. We will not use foul language. We will not be accused of name-calling. We will even congratulate the opponent on a well-played game no matter the out-come.

We will not boast about our winning. We must continually set an example as good sportsmen.
